**Dodge County Public Health COVID-19 Update: WING Supported COVID Test Sites Closed
for Veterans' Day on November 11**

Dodge Co, WI: All WI National Guard (WING) Community Testing Sites will be closed on Wednesday, Nov. 11, in observance of the federal holiday (Veterans' Day). WING will still be testing in Dodge County on Monday, November 9, and will resume operations the following Monday, November 16, beginning at 10:00 AM.

Any Wisconsin resident, five years of age or older, is eligible to be tested at this Dodge County Public Health Testing Site that is supported by members of WING. If you, or someone you know, is going to travel to the Community Test Site located at 850 Mallard Drive, Mayville (vacant office space adjacent to Dodge Co Highway Shop – Mayville) here are some things you should know:

The Dodge Co Community Testing Site is open Mondays and Wednesdays, 10A to 6P, **OR** until our daily allotment of test kits is gone. Check Dodge County Public Health Facebook page, or call (920) 386-4304 prior to 4:30 PM for current/daily status.

This is a Walk Thru Testing Site. WI Nat'l Guard (WING) is not set up, at this site, to accommodate any drive – thru requests. All should be prepared to exit vehicle and move through the building for their test.

Pre-Registration is not required, but is highly encouraged, for any attending the Testing Site. Go to register.covidconnect.wi.gov prior to arrival to register any that are going to be tested. All must be registered prior to being allowed to park their vehicle and enter the building.

The location of Dodge County Public Health's Testing Site could change as we seek the best location to accommodate a Walk Thru Clinic as winter weather arrives. Any change in location will be announced in advance of the move.

Sign up for timely releases of information related to our Community Testing Site, and other COVID 19 updates from Dodge County Public Health on the Dodge County website: COVID 19 Information Center, Updates from Public Health tab.

To read the latest information about COVID-19 check the Dodge County Public Health Facebook page, the COVID 19 Information Center page of the Dodge County website, and the Wisconsin Department of Health Services (WI DHS) and Centers for Disease Control and Prevention (CDC) websites.
